The [Iowa On-line Warrants and Articles](#) (IOWA) Criminal Justice Information Network provides access to a wide variety of information to approximately 170 police departments, sheriff's offices, state and federal criminal justice agencies throughout Iowa. In addition, the IOWA system serves as a link to the national law enforcement network National Crime Information Center (NCIC) as well as to other agencies nationwide and worldwide. Over 76 million messages were processed through the IOWA System in fiscal year 2014.

These messages include inquiries to databases for wanted persons; missing persons; protective orders, sex offenders, stolen property, including vehicles and guns; motor vehicle registration; driver license; criminal history records and administrative messages.
